# YANGTZE DELTA REGION ACADEMY OF BEIJING INSTITUTE OF TECHNOLOGY

1940 Dongfang North Road, Youchengang Town, Xiuzhou District,  
Jiaxing, Zhejiang Province.

Yangtze Delta Region Academy of Beijing Institute of Technology

## OVERVIEW

---

Founded in 1940, Beijing Institute of Technology (BIT) is one of China's leading national universities, consistently recognized under the "211 Project," "985 Project," and "Double First-Class" initiatives. BIT specializes in science and engineering, with balanced development in other disciplines, including management and the humanities, with many of its disciplines ranking among the top 10 in China. In the 2025 Times Higher Education World University Rankings (THE), BIT is placed between 201-250. The university continues to enhance its global standing, having achieved the top spot for Higher General Education Accreditation for International Students in China. Today, BIT hosts a vibrant student body that includes more than 4,000 international students from 152 countries.

Yangtze Delta Region Academy of Beijing Institute of Technology (Jiaxing) is jointly established by BIT and the Jiaxing Municipal People's Government. Located in Jiaxing, Zhejiang Province, the Institute features modern and world-class facilities, advanced research platforms, and beautiful environment. It is dedicated to serving the coordinated economic and social development of the Yangtze River Delta region, enhancing public well-being, and advancing the United Nations Sustainable Development Goals. The Institute serves as a key base for BIT's "Double First-Class" initiative and its international development strategy. The Institute has brought together a high-level research team of over 380 members, combining both full-time and part-time expertise, with more than 200 full-time staff. It has attracted and cultivated over 20 national-level and provincial-level high-tier talents, with more than 90 postdoctoral fellows currently on board, over 270 graduate student supervisors, and has enrolled and stationed over 1,500 master's and doctoral students across 23 academic disciplines.

## INNOVATION RESEARCH CENTERS

- 1 Micro-Nano Devices and Systems Innovation Research Center**
  - New-Generation Semiconductor Devices and System Integration Team
  - Magnetic Memory Research and Development Team
  - Terahertz Chip and Integrated Systems Team
- 2 Cybersecurity and Information Confrontation Innovation Research Center**
  - Network Security and Information Countermeasure Team
  - Intelligent Electromagnetic Structures Team
- 3 Intelligent Sensing Innovation Research Center**
  - Optoelectronic Sensing and Intelligent Imaging Team
  - Intelligent Perception Innovation Team
- 4 Materials Science Innovation Research Center**
  - Advanced Secondary Battery Team
  - High-Entropy Hydrogen Storage Alloy Team
  - Extreme Environment Energy Materials and Devices Research Team
  - Intelligent Materials Design Team
- 5 Digital Economy Innovation Research Center**
  - Digital Economy and Management Team

## ENROLLMENT AND CULTIVATION

### 1.Student Types: Master's / Ph.D. (Admitted by BIT)

### 2.Disciplines Offered:

**Master's:** Mechanical Engineering, Optical Engineering, Instrument Science and Technology, Computer Science and Technology, Cyberspace Security, Chemistry, Safety Science and Engineering, Management Science and Engineering.

**Ph.D.:** Mechanics, Optical Engineering, Instrument Science and Technology, Cyberspace Security, Integrated Circuit Science and Engineering, Materials Science and Engineering, Information and Communication Engineering, Chemistry, Safety Science and Engineering, Management Science and Engineering.

### 3.Program Structure:

Jointly cultivated in Beijing and Jiaxing. Graduate students spend their first year at the BIT Beijing campus for coursework, then transfer to the Jiaxing academy for research from the second year onward.

## FACILITIES

### Study Resources:

- Laboratories: over 80 public and specialized R&D platforms, supporting 4 national-level platforms, leading or participating in 12 provincial and ministerial-level platforms.
- Study Spaces: Spacious, well-lit workstations equipped with comprehensive study and office supplies.
- Boyue Library: A collection of over 200,000 volumes with study rooms, seminar rooms, a café, and leisure areas.
- Online Databases: Nature, Science online, Ei, Springer Link, IEL, CNKI

### Living Conditions:

- Student Dormitories: Double rooms with communal kitchens, washing machines, and water dispensers.
- Jinggong Canteen: Offers a variety of dish options with a focus on balanced nutritional combinations.
- Gym: Equipped with comprehensive fitness facilities, ample exercise space, and excellent ventilation, free of charge.
- Sports Grounds: Indoor badminton courts, outdoor basketball and tennis courts, free of charge.
- Convenience Store: 24-hour, self-service.

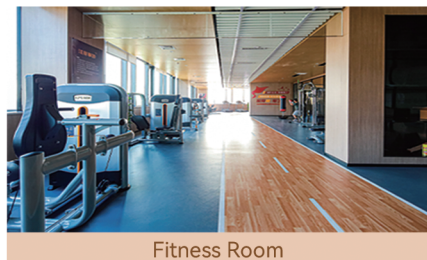

Cafe

Teacher's Apartment

Classroom

Fitness Room

## INTRODUCTION OF JIAXING

Located in the northeast of Zhejiang Province, Jiaxing borders Shanghai on the east, Suzhou on the north, Hangzhou on the west and Hangzhou Bay on the south, in the central hinterland of the core area of the Yangtze River Delta. The Yangtze River Delta is one of the most dynamic, open and innovative regions in China. As an important meeting point of the Belt and Road Initiative and the Yangtze River Economic Belt, it is China's largest economic zone, an important international gateway in the Asia-Pacific region, and a global advanced manufacturing base.

With a history of 7,000 years, Jiaxing is a national-level historical and cultural city, the birthplace of Majiabang culture, the place where the Red Boat of the Chinese Revolution set sail, and the permanent venue of the World Internet Conference which is held in Wuzhen. As a demonstration zone for eco-green integrated development in the Yangtze River Delta, it leads the region towards higher-quality construction. Jiaxing is committed to building a modern city suitable for living, working and traveling, offering rich cultural and commercial experiences in a picturesque setting.

## INDUSTRIES OF JIAXING

Jiaxing boasts five leading industries, namely modern textiles, new energy, new chemical materials, automobile manufacturing, and smart home products, forming five major industrial clusters with a total output value of 500 billion yuan, and fostering five emerging industries, including integrated circuits, artificial intelligence, hydrogen energy, aerospace, and healthcare.

## CULTURE OF JIAXING

1. Jiaxing Museum: A comprehensive museum integrating collection, research, display and education.
2. Jiaxing Culture and Art Center: A large-scale cultural complex integrating "Six Pavilions and One Hall".
3. Xiuzhou Chinese Farmer Painting Art Center: The only professional venue for farmer painting in China.
4. Wuzhen Theatre Festival: One of the most prestigious theatre festivals in China.
5. Xitang Hanfu Culture Week: A grand annual meeting for Hanfu and culture lovers.

## ENTERTAINMENT IN JIAXING

### 1. Tourist Attractions

- South Lake
- Wuzhen Scenic Area
- Xitang Ancient Town
- Jiexing Canal Culture Tourism Resort

### 2. Shopping Malls

- Yaohan Shopping Center
- RT-Mart Supermarket
- Auchan Supermarket

### 3. Specialties and Delicacies

- South Lake Water Chestnut
- Steamed Mutton Noodles
- Xitang Cake
- Wenhua Marinated Duck
- Wufangzhai Zongzi
- Halal Food: Lanzhou Beef Noodles, Xinjiang Cuisine
- Fast Food: KFC, McDonald's

## ARRIVE IN JIAXING

### • Shanghai Hongqiao International Airport

Airport ShuttleBus: Shanghai Pudong International Airport - Jiexing North Bus Station

High-speed Railway: Shanghai Hongqiao Railway Station - Jiexing South Railway Station

### • Shanghai Pudong International Airport

Airport ShuttleBus: Shanghai Pudong International Airport - Jiexing North Bus Station

High-speed Railway: Shanghai Metro Line 2, Shanghai Hongqiao Railway Station - Jiexing South Railway Station

### • Hangzhou Xiaoshan International Airport

Airport ShuttleBus: Hangzhou Xiaoshan International Airport - Jiexing North Bus Station

High-speed Railway: Hangzhou East Railway Station - Jiexing South Railway Station

Jiexing City Foreigners' Living Service Guide:

# Rice Fragrance in Jiangnan Water Towns: Rural Revitalization in the Digital Wave

2026 July Short-term Program

# PROGRAM SCHEDULES

## [2026 Beijing Institute of Technology (JIAXING) Rice Fragrance in Jiangnan Water Towns: Rural Revitalization in the Digital Wave]

This program focuses on the frontiers of humanities and social sciences. Set against the authentic landscape of Jiangnan water towns in China, with traditional Chinese family culture as its core and modern technologies in rural revitalization as its highlight, it deeply explores the path of rural revitalization represented by Wuzhen and Yucun.

Integrating the profound heritage of traditional Chinese culture, the program explains its historical role and modern value in rural development. It also introduces modern technological tools applied in rural revitalization and analyzes their practical effects in promoting rural progress in economy, culture, ecology and other fields.

By comparing tradition and modernity, theory and practice, this program aims to reveal the internal logic and Chinese approach to rural revitalization in Jiangnan water towns, and demonstrate the unique charm and broad prospects of the socialist path of rural revitalization with Chinese characteristics. It is not only a vivid display of rural development achievements rooted in Chinese culture, but also a successful model for in-depth exploration of innovative practices in rural revitalization.

### ► Topics:

Jiangnan Water Towns, Family Culture, Digital Empowerment for Rural Revitalization, Chinese-Style Modernization, Cross-Cultural Exchange

## ► Capacity Size

 20 (min) - 40 (max)

## BENEFITS

### 1 Cultural Immersion •

#### Jiangnan Water Town Heritage

Explore the authentic Jiangnan water towns represented by Wuzhen, delve into their farming wisdom and family culture, appreciate the oriental aesthetics of harmony between humans and nature rooted in rice farming civilization, and experience the beauty of traditional farming wisdom and ancient town architecture.

### 2 Technology Integration •

#### Digital Empowerment for Rural Revitalization

Focus on modern technologies such as the Internet of Things and smart agriculture, visit on-site how digital technologies empower ancient villages to rejuvenate, and witness the integrated scene where drones fly over rice fields and intelligent systems protect ancient bridges.

### 3 Integration of Knowledge and Practice •

#### Field Study and Innovation

Learn through diverse forms including classroom teaching, field research, workshop visits and cross-cultural seminars. Students will participate in case deduction of rural digital transformation and discuss the innovative significance of blockchain technology for the inheritance of intangible cultural heritage in traditional mortise and tenon workshops.

## Program Details

### ◆ Modules:

Themed Lectures&Seminars, Cultural Visits, Traditional Cultural Workshops, City Tour

### ◆ Location:

Yangtze Delta Region Academy of Beijing Institute of Technology, Jiaxing

### ◆ Duration:

July 7– July 22, 2026

### ◆ Registration Date:

July 7, 2026

### ◆ Credits:

2 credits

### ◆ Fee:

CNY 3,500 per person

### TIPS

1. The fee covers tuition, on-campus accommodation, teaching materials, insurance and cultural tours.
2. The fee doesn't include meals, airport transfers, or other personal expenses.

### NOTE

1. Printed version certificate only containing credits, no academic transcript provided.
2. All the programs will be conducted in English.
3. If the number of students enrolled in a program is less than 20, the program will be canceled.
4. Enrollment for the on-campus program is limited. We operate on a first-come, first-served basis.

# Application

## Application Deadline

On-campus program: May 15, 2026

## Application Website

<http://apply.isc.bit.edu.cn>

## Qualification

### ◆ Non-Chinese citizen

### ◆ English proficiency (meet one of the following):

- ✓ IELTS  $\geq$  6.0 or TOEFL  $\geq$  85 or equivalent (waived for native English speakers)
- ✓ English Proficiency Certificate issued by the current school
- ✓ Certificate of English-Medium Instruction issued by the current school

### ◆ Age: 18 to 45 years old

## Application Procedure

- ▶ Register at <http://apply.isc.bit.edu.cn>
- ▶ Create your account and log in
- ▶ Choose “Start Application”
- ▶ Choose “Short-term Programs”
- ▶ Choose “Short-term Programs (on-campus)”
- ▶ Choose “2026 BIT (JIAXING) Summer Program”
- ▶ Click “Apply”
- ▶ Fill your personal information and upload the required documents
- ▶ Click “Submit”, then confirm by clicking “OK” to complete your application

## Required Documents

1. ID photo with a white background
2. Photocopy of the passport's front page
3. Valid English language proficiency test report (waived for native English speakers)

## Visa

Students admitted to the on-campus program must apply for an X2 visa at the Chinese embassy or consulate. The application requires the electronic DQ form and admission letter provided by BIT.

**2026 JULY SHORT-TERM PROGRAM: YANGTZE DELTA REGION ACADEMY OF BEIJING INSTITUTE OF TECHNOLOGY, JIAXING  
— RICE FRAGRANCE IN JIANGNAN WATER TOWNS: RURAL REVITALIZATION IN THE DIGITAL WAVE**

DAY	10:00-12:00	12:00-13:30	13:30-15:30
TUE 7th Jul	Registration		
WED 8th Jul	Opening Ceremony & Program Introduction	Lunch Time	Campus and Laboratory Visit
THU 9th Jul	<b>Lecture</b> Theoretical Foundation: Decoding the Oriental Wisdom of Living	Lunch Time	<b>Field Research</b> Jiaxing Zicheng Ruins: Experience the Song-Dynasty WaterGate Relic and Perceive the Inheritance of Jiangnan Cultural Context
FRI 10th Jul	<b>8:30 am Field Research</b> Yucun Village, China: Lucid Waters and Lush Mountains Are Invaluable Assets		
SAT 11th Jul	Free Time		
SUN 12th Jul	Free Time		
MON 13th Jul	<b>Lecture</b> Coexistence of Virtual and Real: The Boundaries of Technological Empowerment	Lunch Time	<b>Field Research</b> Majiabang Museum: Decoding 7,000 Years of Civilization and Understanding the Root of Jiangnan
TUE 14th Jul	<b>8:30 am Field Research</b> Wuzhen, China: Rebirth of an Ancient Town— The Dual Narrative of Wuzhen		
WED 15th Jul	<b>Field Research</b> Jiaxing Culture and Art Center &Intangible Cultural Heritage Experience: Encountering Inheritance of Ingenuity and Feeling the NewCultural Charm of Hecheng	Lunch Time	<b>Field Research</b> Jiaxin Silk Park: From Millennium Silk Charm to Modern Intelligent Manufacturing

DAY	10:00-12:00	12:00-13:30	13:30-15:30
THU 16th Jul	8:30 am Neighborhood Tour Hangzhou		
FRI 17th Jul	<b>Seminar</b> Complete PPT through Group Collaboration Innovative Proposal: My Plan for the Revitalization of Water Towns		
SAT 18th Jul	Free Time		
SUN 19th Jul	Free Time		
MON 20th Jul	<b>Seminar</b> Cross-Disciplinary Classroom Dialogue Critical Thinking on a Rowing Boat		
TUE 21st Jul	Closing Ceremony	Lunch Time	Free Time
WED 22nd Jul	Check-out and See Off		

Note:

1. If the number of participants is fewer than 20, the program will be canceled.
2. The schedule may be subject to adjustments due to uncertain factors such as weather or venue conditions. We will notify you promptly of any changes.
